

BIRTHDAY PARTIES at B.A.G.C.

Come celebrate your BIRTHDAY at Blue Angels Gymnastics Club. Join us for 2 hours of Gymnastics, Games, and Fun!! The first hour and 15 minutes is spent on the gymnastics equipment. The next 30 minutes is for opening presents, eating cake and ice cream, and whatever else you want to bring. Finish up the party with an awesome obstacle course!

We have in-ground pits, air trax bouncer, tumble trax (long trampoline) and lots of equipment and fun games for the beginner to advanced gymnast for a fantastic Birthday Party. Gym is all yours. Each Party gets full use of the gym; there are no other classes or parties going on during yours!!

Parties are offered on Friday, Saturday and Sundays during the school year (or no school days) and any day during the summer. Please call the gym for available dates and times. We recommend that you book your party at least one month in advance for best options.
